

Garden. Flowers in the garden. Colorful flowers – pink, red, purple, white and orange.

Here is a butterfly, white butterfly. See his little brown eyes? Oh, the wind is blowing.

And what is it? There! Yes, that is a little cat- kitten. You play with the flower.

Do not pick the flowers. Just look, no picking. This is the sunflower, looks like the yellow sun. And there is a bee. Be careful do not touch the bee! Now two bees.

Hello kitty. Wait for me!
