

Collect and name the objects.

This is the star, the bell, the key, the coin, ...

We have animals here – gorilla, zebra,...

*If you play with things you see around you,
naming them first will build the vocabulary.*

There is the clock, the rug, the picture,...

*One player will be the spy, picks out one object
and says the clue.*

I spy with my little eye something blue.

*Others guess the object that the Spy has in mind.
Help naming objects kids point to.*

No, not the stone, not the ring,...yes the star!

That is right, you win!

You are the new spy now.

Can be played anywhere - at home, in the car,...

For smaller child provide more clues.

*For more fun put your objects into the jar or play
different clues.*

I spy with my little eye something round.

**I spy with my little eye something beginning
with the letter „R“ (rug).**
